Related styles: ELECTRONIC: Nujazz, ELECTRONIC: Funk People who are interested in Jamiroquai St. Germain Greyboy should consider this download. Details: Grover has been at the forefront of Sydneys live funk scene for the past decade. Its the bands infectious dance floor energy, diverse musical styling and awe inspiring delivery that has allowed them to stand the test of time. Grover has an ace up their sleeve, employing the cream of Sydneys finest vocalists as featured guests. At any given performance you could see Christo Alexander, Michelle Martinez, Cavan Te, Rob Edwards or Melinda Jackson fronting the band. Add this to the powerhouse rhythm/ percussion section, smoking sax, and the recipe is complete. Its a funk cocktail fit for a King!!!
