

Mp3 Noel Paul Stookey - Real To Reel

[DOWNLOAD HERE](#)

Drawn largely from a concert taped in 1973 at the newly completed Sydney Opera House in Sydney, Australia, this quality collection of primarily original material captures Noel Paul Stookey in perhaps his most intimate and spontaneous concert recording. 12 MP3 Songs FOLK: Modern Folk, GOSPEL: Contemporary Gospel Details: Drawn largely from a concert taped in 1973 at the newly completed Sydney Opera House in Sydney, Australia, this quality collection of primarily original material captures Noel Paul Stookey in perhaps his most intimate and spontaneous concert recording. His stories and sometimes hilarious introductions to songs are woven through a typically wide range of musical pieces; from the boisterous classic sing-a-long BUILDING BLOCK to his subtle musical investigation of MIRACLES. CREDITS: Engineers: Malcolm Devenish, Dave Connor, Neil Packer, Peter Best Remixing: Eight Track Studios Remixing Engineer: Stu Davis Art direction: Richard Page Album design: Linda Trujillo Cover photo: Tom Jones Back cover photo: Tom Crafton
