An upbeat, contemporary rendition of many Croatian Folk Songs. Great CD for parties, weddings, dances. You don't have to be a Croatian to dance at the beat of this CD... 12 MP3 Songs WORLD: Eastern European, FOLK: Power-folk Details: Do you like to party?? I bet you do !!. And what's the best of all: you don't have to be a Croatian to love this CD. No strange lyrics you never heard about!! No rhythms that will make you look like you have two left feet !! Just plain good old Polkas, Waltzes, even a Tarantellas, then some eastern European "Kolo" (a little faster Polka), then some Charleston, Boogie and Slow Rock. Great music for your next party, wedding, picnic or just for singing along while you're taking a shower. I've been playing music for over 45 years, first as a lead guitar player and back up vocal for bands OTOCANI, Mali Losinj, Croatia 1960-72, ADRIATICS New York 1972-75, KRISTALI New York 1975-85 and then as a keyboard player for the band TRI KANTUNA 2000-04 also from New York. During those years I toured the USA and Canada with many Croatian recording artists like: Kico Slabinac, Opatijski Suveniri, Betty Jurkovic, Lidija Percan and others. I play mostly Croatian folk music and traditional songs and dances from all over Croatia, also many Pop songs by top Croatian recording artists. Most of the music on this CD is arranged in contemporary, upbeat, dance and party styles, mixed with sounds of traditional musical instruments like accordion and mandolin. For example click on track #5 on the left and hear how the song "Ciribiribela Mare moja" sounds in Charleston style with Honky-Tonky piano. Or track #7, my song "Leto i fjaka" (Summer and laziness) arranged in a Boogie style mixed with accordion and mandolin. Take a break and listen to all the songs. This CD contains 12 tracks of instrumentally arranged Croatian Folk songs, compiled into nine medleys, and three individual songs.
