

Mp3 Vicious Circle - Metal: 80's Metal

[DOWNLOAD HERE](#)

Great melodic hard edged rock/metal, mixing some interesting middle eastern modes; this album is hard to pigeon hole but it has some 80's influences, yet doesn't sound dated. Steve Cichon is a very accomplished guitarist, singer/ songwriter and this 12 MP3 Songs METAL: 80's Metal, WORLD: Middle East Details: THE STORY SO FAR..... VICIOUS CIRCLE has come together under Steve Cichon's tireless labors. Steve has been writing, producing and performing his own material since the late 80's. His current material has come about from the many aspects of creating original music. These 12 tracks from Steve, show a very accomplished Guitarist, singer/ songwriter and his first formal release; however Steve's been Writing and playing for over two decades. This is just the tip of the iceberg from his private song collection. His songs have received praise from representatives of major recording labels, to name a few: John Kalodner (Geffen); Charles Koppleman (EMI); Jimmy Ienner (Virgin); and Gene Simmons of KISS. Steve worked with Bud Synde, (sound engineer for the Greg Allman) at his recording studios in Sarasota, Florida.
