

# Mp3 Jobe - She Won't Be Misunderstood

[DOWNLOAD HERE](#)

Rock with a touch of soul and reggae 1 MP3 Songs ROCK: Modern Rock, ROCK: Americana Details: Jobe is a singer/songwriter from Lake Arrowhead, CA. His music reflects personal struggles and life experiences dealing with tragedy and immense loss. Jobes songs are his lifes story. Jobe writes performs and produces his recordings currently at his studio in the beautiful San Bernardino Mnts. With a maturity and depth hard to find in modern day music, his unique style has earned him impressive successes as a composer for films and commercials. Jobe has just finished his first single she wont be Misunderstood which is available for purchase. The album release date has not yet been set, but is imminent. Jobe has recently formed a backing band for live performance. Exhibiting the survival instincts of him namesake, Jobe is ready to tackle the next chapter of what has been a true story more remarkable than any fiction.
