

# Mp3 Rattled Roosters - Retro-spex

[DOWNLOAD HERE](#)

"a manic blend of rockabilly, pop, punk and swing" -SF Weekly 16 MP3 Songs ROCK: Rockabilly, JAZZ: Swing/Big Band Details: "A fresh accessible sound...the bedrock, though, is obviously rockabilly and swing...like the jam meets the polecats...good, dimensional and eminently listenable." -Original Cool "Purely original songwriting...Sometimes cool, sometimes frantic...Forget everything you know about Rockabilly, Vancouver's Rattled Roosters will show you the way." - Sacramento This Week "They aren't pure rockabilly...but the songs are great whatever you want to call it and they can really put on a show. They've also got to be THE best dressed band around by anyone's standards" - Flipside "The new dynamite has been uncovered...It's young and modern and it's called the Rattled Roosters. And it will explode" -32 RPM "This is a fucking brilliant album...an intelligent crossover...fantastic" -Deathrow Database "A no-nonsense rock record that could easily fit into any music lovers' collection" -The Brock Press "The Roosters stand out for a few reasons-most notably the song writing talents...(they) have their own sound it's slick, sultry and supple at the hips" -The Vancouver Sun "A record that captures their high style and pop smarts...impossibly catchy gems" -The Record "The freshest, feistiest rockabilly band I've seen in ages...Maybe ever." -The City Paper Searches:"rattled roosters"
