Together they combined their gifts to bring you these two unique CDs (Volumes 1 2). Sacred Music for Healing Hands can be used in any healing practice. Dedicated to all those committed to use the hands and heart for healing. May you be guided and protected as you share your light and love unconditionally. May the Divine Spirit that looks after each of us assist in our healing efforts. "...tonal keyboard ambience designed to guide listeners toward the goal of spiritual healing and renewal...ideal for use with healing practices like massage therapy, yoga or Reiki. The soothing music flows with a soft positive energy that restores the soul and fills the listener with a sense of balance and divine presence." --Music Design in Review Richard Shulman is a composer, keyboardist, and recording artist who dedicates his music to the expression of love and the awakening of inner joy. A former student of Chuck Mangione and Marian McPartland at the Eastman School of Music, Shulman uses his skills as a jazz, classical, and healing-music keyboardist to create music to assist groups and individuals in experiencing their own spiritual essence. Richard tours doing solo and group concerts and has produced eighteen albums on his label, RichHeart Music. His orchestral recording, the award winning Camelot Reawakened: A Vision Fulfilled is based on the fulfillment of dreams of the heart. His best-selling album, Light Music: To Clear and Align the Chakras is popular with massage therapists and creative people. Website: richheartmusic.com
