

# Mp3 Serrano Hills - Off The Fence

[DOWNLOAD HERE](#)

Intelligent guitar-driven Christian rock featuring thought-provoking lyrics that contemplate both the joys and challenges of living a Christian life. 6 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Modern Rock Details: Artist profile: Serrano Hills Where have these guys been hiding? is what you may blurt out after listening to Serrano Hills first studio CD, Off The Fence. Featuring just six of their most riveting tunes, Off The Fence is by no means light in content or energy. Instead, this CD rips into the fabric of modern Christian culture, tackling issues that effect everybodys spiritual walkissues like forgiveness, guilt, and lack of faith (just to name a few!). The Christian will listen to these songs and find compassion and understanding. Those with questions about Christianity will find acceptance and encouragement not found in many songs Christian or secular. There were only 11,000 copies of Off The Fence released, and most of them are now gone! Serrano Hills has teamed up with CD Baby to allow you a chance to own one of the few copies left of this enhanced CD. These beautifully-mixed tracks feature a solid, West Coast sound that reflects the bands Orange County roots (theyre based out of Tustin, California, right in the middle of the OC). Listen to just one cut, and youll know these guys are the real deal. Each song has its own infectious groove. Put them together and youve got yourself one hot little album. Where have these guys been hiding?
