gangsta with a diverse flows and delivery 18 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Hip Hop Details: I am a producer and artist I have five albums and executive produced several albums on my own label. I also teach children to produce and to learn computer skills and stay off drugs and out of gangs. I come with a hard street wise flows because ive been their and done it. So i am showing the kids that if they stay focus they can make it. I do my music as graphic as i can not to glamorize it but to teach the ones that dont no any better.I wrote all the lyrics and did all the beats and engineered all the tracks on all of my albums. So to teach self reliance. Also 50 of my proceeds goes toward free studio time for disadvantaged artist.
