Alternative pop/rock from Sweden with great melodies and heartfelt songwriting ranging from mellow melancholy to rousing energy. 9 MP3 Songs ROCK: Emo, ROCK: Modern Rock Details: The Elliots are from Gothenburg, Sweden and have made music for more than 10 years. Sometimes with breaks for other projects, sometimes with greater intensity. They decided to record an album and release it on their own record label Rocket Ride Recordings. They started recording in Studio Cloudchamber with producer Charles Storm. Charles has among others worked with Scandinavian artists like Blue for Two, Staffan Hellstrand, Mazarine Street, Surferosa and David Urwitz. The recordings were made in only two weeks and led the band in new musical directions. The result is 9 songs featured on the album Bullet for Pretty Boy.
