

Mp3 Pete Fintak - Wellington Circle

[DOWNLOAD HERE](#)

Pop/Rock 10 MP3 Songs POP: Today's Top 40, ROCK: Progressive Rock Details: Blending soulful lyrics with catchy hooks, Pete Fintak is a musician who is not afraid to be honest in his music. Fintaks music presents a sense of vulnerability and passion, while giving the listener a toe-tapping medium to enjoy. Wellington Circle marks Fintaks first major release and takes the listener on an emotional journey through telling lessons of love, homesickness, heart break, self-loathing and mourning. Fintak has often been compared to Matchbox Twenty, John Mayer and even Bruce Springsteen, but he insists he tries to keep his music true to his own inner dialogue. Sometimes edgy, sometimes soft and sensitive, Fintak takes his listeners on an emotional roller coaster. And while he does not mind being compared to such great musicians, Fintak stands firm in saying that he has tried to create something new, with just the right dose of the popular to deliver his message. Wellington Circle was a challenge to record because Fintak wrote and performed all the songs. In addition, he also played all the instruments including drums, bass guitar, piano, keyboard, rhythm guitar, lead guitar and, of course, vocals. Enjoy Pete Fintaks music. Listen to the words. Tap your toes to the beat. Hear the raw emotion in his voice. Let his music touch you.
