Preballet music for children's ballet class. The music is easy to count, and fun because the children recognize the melodies. 17 MP3 Songs CLASSICAL: Traditional Details: Lisa Harris had played professionally for dance companies for over 25 years, majoring in music and dance at The Ohio State University and understanding the need of dancer's being a dancer herself. She has taken many ballet classes, as well as played for many, and believes the music is so important in creating an inspiring class, and dancing to the music. This cd is created especially for beginning young dancers just getting comfortable with their bodies, and gives them the ability to learn grace and beauty through art.
