Spanish rock that returns to the basic recipe. With the eclectic mix of their members and the dynamism of the cultures that define them they bring us the answer we were missing. 14 MP3 Songs ROCK: Rock en Español, LATIN: Rock en Español Details: Rock N' Roll. It's basic. It's hard. It's emotive. It's tragic and lighthearted at the same time. In a current music scene filled with experimentation, progressive tendencies and fusions shines Cuervo. Spanish rock that returns to the basic recipe. Softly strolling over the decades of music from which they draw their influences to fall into that old forgotten niche that we're all thirsty for. With the eclectic mix of their members and the dynamism of the cultures that define them they bring us the answer we were missing. "The vocals and guitar work are raw and edgy (..) Every element gels into an impressive cohesive unit" Joey Guerra Houston Chronicle After years of hard work in becoming one of Houston's most recognizable bands, with achievements like winning first place in XO 107.9 and 96.9FM's Battle of the Bands, sharing the stage with artists like Oreja de Van Gogh and Los Bacilos, appearing live on Television in Monterrey's "Desvelados" and being included in Budweiser's "True Music" Program, Cuervo is ready to conquer the latino and international crowd beyond the band's native city limits. Pay attention. Cuervo is coming.
