

Vinyl Drums Vol.1

[DOWNLOAD HERE](#)

By popular demand Beat-Makerz went diggin' again to get the vintage sounds that hip-hop producers love. Straight from the vinyl sources Beat-Makerz continues to provide hip-hop producers with the tools needed to make instant classics. These samples were taken straight from vinyl through a tube powered preamp to insure that the warm, full, crispness was preserved with each and every kick, hat, and snare that is in this kit. Hip-hop's most legendary producers such as Pete Rock, Large Professor, Dj Premiere, Kanye West, Just Blaze, 9th Wonder, and many others have come to rely on the warm and soulful sounds that were recorded by artists in the 50's, 60's, and 70's to provide their track with a presence that can not be heard via new digital drum samples. What are you waiting for, cop the kit, chop your favorite sample, and mix and watch your new beat become an instant classic. This kit was made by transferring vinyl via a Technic's 1200 turntable, Shure V15 VxMR cartridge, and a Harmon Kardon A300 tube preamp to insure the best and most accurate sound transfer possible. The sounds were then edited via Pro-Tools 7.3 and compressed minimally via SSL console compressors. This kit contains 708 samples such as kicks, hats, and snares. **HARDWARE & SOFTWARE COMPATIBILITY PRO TOOLS, CUBASE, CAKEWALK, ADOBE AUDITION, RECYCLE, SONAR, REASON, ACID, EXS 24, GIGASTUDIO, SAMPLETANK, HALION, KONTAKT, WAVELAB, SOUND FORGE, VEGAS, FRUITY LOOPS, NATIVE INSTRUMENTS, COOL EDIT, AKAI SAMPLERS, MPC 2000, 4000, 1000.
