The Broadcast Package Vol. 1 will feature everything a broadcaster requires including stings, trails, underscores and transitions designed for News, Documentary, Sports and all other productions. The Broadcast Package Vol 1 10 second stings The Broadcast Package Vol. 1 features 14 sting. Each sting has been selected to convey a specific mood and feeling. The stings range from news, sport, corporate and business to sadness and downbeat. They are ideal where just a short piece of music is required to suggest a mood or to be placed under a short message. 30 second Cuts The Broadcast package Vol. 1 also features 14 cuts. Each cut is approximately 30 seconds in length. Like the stings each cut has been produced to convey specific point. The cuts are also labelled according to type including news, business, sports, dance and high energy as well as sadness and classical. These cuts are ideal for introducing programs or for advertisements. Full tracks Also featured in the Broadcast Package Vol. 1 are 10 full tracks. These tracks are longer versions of the cuts but feature more variations and allow for longer use. The full tracks can also be edited for the users specific purposes and requirements. Soundbeds Finally there are 2 soundbeds consisting of 1 jingle and 1 trail.
