

Albeniz Asturias Leyenda Cello And Piano

[DOWNLOAD HERE](#)

Originally published as a score only, mastered in Finale 2007, this .pdf is arranged by Paul Fleury into a wonderful cello/piano duet, very flashy and a great recital piece. Sound clip is only the cello part, no piano part is in the recording. This is actually easier than it sounds if you don't tighten up your bow arm!

Contains only the fast part, not the slow middle section that is heard in the full composition. Approximately under 10 pages.
