Contemporary R&B, Soul and Reggae with an old school feel. 11 MP3 Songs URBAN/R&B: Traditional R&B, REGGAE: Ska Show all album songs: The Sound Songs Details: Mocking Shadows have been entertaining crowds across Canada for over 10 years with their own brand of R&B, soul, reggae, funk and blues. Drawing from their *old school* roots Mocking Shadows have developed a contemporary sound that has attracted a younger demographic while still maintaining their original fan base. The line up has changed significantly in recent years and includes former members of such successful Canadian bands as The Planet Smashers, The Hi-Phoniqs and Interstellar Rootcellar. These members have been a major catalyst in improving the quality of music, showmanship and creativity of the band. The result is a strong new sound that will prove to solidify Mocking Shadows place in the Canadian new music scene. The band plays music festivals, theaters and venues of all styles and genres including performances with: The Tragically Hip, ZZ Top, 54/40, Wide Mouth Mason, Jann Arden, Reba Macintire, Leanne Rimes, Randy Bachman, Lighthouse, Colin James, The Powder Blues Band, Doug The Slugs, Trooper, Downchild Blues Band, and many others including, two Canadian tours with the legendary BB King, once in 2001 and again in 2002. Their last 5 CD*s have received air play on over 200 radio stations worldwide with a combined listener-ship of well over 3 million. Currently the band is releasing their 6th CD "The Sound". Watch for their national CD release and tour in the Fall and Winter of 2007/2008.
