A vibrant and compelling medley of Latin American folk tunes and original compositions featuring indigenous acoustic instruments enhanced by lively vocal arrangements. 14 MP3 Songs LATIN: General, FOLK: Traditional Folk Details: The rich tradition of Latin American folk music and "nueva cancion" comes alive in Grupo Germinal's new release, which combines traditional Mexican, South American, and Caribbean rhythms with beautiful vocal arrangements. "An acoustic Latin American mosaic" Grupo Germinal presents an evocative mixture of different styles of Latin American folk music on this new CD. Whether you like soaring vocal harmonies, exquisitely played South American flutes, or a toe-tapping "cumbia" or "corrido", you'll appreciate this well-crafted and thoroughly enjoyable introduction to the richness of Latin American folk genres. "Unbelievable mix of music!" This is one of those rare CD's that you will listen to over and over. Your whole family will love it. The kids want to play it whenever we are in the car. These songs make you want to sing, and dance, and dream. Hope we hear more from this group!
