Keep playing, people will realize that if they can find peace here, in these vaulted, chaotic terminals, they can find it anywhere." -Jordan, Traveler, Portland International Airport "To hear your heart speaking is a beautiful thing!" -Bird Sanchez "...full of passion, emotion and love. Amazing harmonies, great melodies and overall wonderful! I LOVE IT. Very Deep." -Cody Collins "My soul was singing as you played, what a beautiful gift." -Phillip Martin "As I walked into this airport, my life was falling apart and I had forgotten what beauty is. I was engulfed in misery. Now, as I leave to board my plane, I am reminded, Life is Beautiful! I cannot forget. Thank you for reminding me." -Chris Holshof, Traveler, Portland International Airport "Ronda has been inspiring our listeners with her beautiful music for several years. After a busy day at work and the everyday stress of life, playing your CD is like filling my house with the presence of God." -Peggy Devries, Events Coordinator, Portland Oregon "Ronda, I need your music, the world needs your music please, you cant ever stop playing! You were meant to make this music." -Homeless, no name given About the Performing Artist "As a local artist in Portland, no matter where I perform, dearest to my heart is the community outreach dinner I play for once a month in SE Portland. People have come to know they are welcome there, safe and valuable no matter how poor or challenged. Over the years we have built relationships through welcoming music, mouth watering food and great atmosphere. The incredible joy we have received in return is greater than one could ever imagine. Our "Coffee House Dinner" is actually where I became serious about my music. One evening a friend asked me to play a piece I began composing as a child. The response was overwhelming. Our

guests kept asking me to play it over and over. I love how music speaks an inner language our beings naturally respond to. That night I saw those musical words reach into broken hearts and lives, touching them with something good and wonderful. It gave me the desire so great to compose that it changed my life. My husband and I moved to Portland in 1989 and now have three wonderful teens. And yes, I do mean wonderful! I love to garden when I get a chance, enjoy painting with water colors, reading and of course, cooking mouth watering meals for my family." - Ronda * * * Thank you for choosing this site.
