This mix of pop and adult contemporary music, with a touch of R&B, rock, and jazz makes for a unique combination of strong, memorable melodies and lyrics which are intelligent and thought-provoking. 15 MP3 Songs POP: 80's Pop, EASY LISTENING: Soft Rock Details: Isaac Zamora has spent the last fifteen years crafting songs which reflect all aspects of life. These include love songs, ballads, rockers, jazzy mood music, and fun songs. The melodies are easy to remember and hum along to. The lyrics are designed to provoke thought and to be interpreted in any way that fits the circumstances of your life. The production and vocals are done by first rate musicians and singers who reside in the Nashville area. Isaac Zamora is showcasing his songwriting here, and the songs reflect a lifetime of observations on life, love, and everyday situations which we all encounter. This is a very "listenable" CD and one which reveals new treasures every time it is heard. The last song, entitled "Through Your Eyes", was written after Isaac visited New York City shortly after 9/11 and viewed an exhibition of pictures of the tragedy taken by various photographers. It is intended as a tribute to the heroes of that unforgettable day. This is a CD that will be enjoyed as much after listening the tenth time as after the first time.
