Details: The group Sic-Side Mobb is composed of five males and one female, all raised in Seaside, California. Bradley Lamarr Woodruff, AKA "Playboy Chill", is 29 year old and was born and raised in the city of Seaside, California. After graduating from Seaside High Scholl, he majored in business at Monterey Peninsula College. Playboy Chill is a staunch believer in freedom of speech and takes great pride in his knowledge of African-American history and culture. He was influenced by the music of Parliament and Zapp. His rap background was motivated by the sounds of Run DMC, Public Enemy, NWA and Ice Cube. He describes his compositions as "music realism" emanating from his street experiences and its real encounters. Len Dog, graduated from Seaside High Scholl and is now going to college at Florida State. Scapes, graduated form Seaside High School and is now operating a barbersop in Seaside along with C-Ron. E.O.T., has graduated from Seaside High School and is now working at the Monterey Hyatt Hotel. Pat Turner from the area has sung with church chores and other local groups. All of the guys in the group have successfully graduated from High School and college and are now working or operating their own small business.
