

Mp3 Reflection Theory - Rock: Modern Rock

[DOWNLOAD HERE](#)

REFLECTIONTheory is a project that attempts to blend multiple disciplines of music, visual art, and technology. The music is a blend of rock and electronic elements in an amalgam that defies standard categorization. Modern and melodic, it's mood and beats 10 MP3 Songs ROCK: Modern Rock, ELECTRONIC: Ambient Details: Founded by Chris Brickler and Jay Miller in 2001, REFLECTIONTheory is a project that attempts to blend multiple disciplines of music, visual art, and technology. It includes a wide-ranging and talented cast of writers and performers who believe in freely collaborating in both studio and live performance to produce new multidimensional works of art.
