Sailor's Dream is 3 gloriously voiced ladies singing everything from bar room ballads and sea shanties to sweet love songs, all a capella. 16 MP3 Songs FOLK: Traditional Folk, WORLD: Celtic Details: Sailor's Dream is a project dreamed up when Tanya Brody realised that there would be 3 fabulous voices at the Colorado Renaissance Festival who could sing together. Tanya Brody, Lolly Foy and Patricia Irby all love singing and playing with vocal harmonies. They were "tossed" up on stage in an empty slot and thus Sailor's Dream began. Sailor's Prayer is the end result of this collaboration. With songs ranging from hard pulling sea shanties to traditional love songs, to drinking songs and bar room ballads everyone is sure to enjoy this album. Full of wonderful women's vocal harmonizing and fun songs, Sailor's Prayer has been enjoyed people all over the country. Sailor's Prayer is a must have for anyone who enjoys acapella women's voices. Tanya Brody teams up with Patricia Irby of Canterbury Transfer and Lolly Foy of Wench Work to produce some of the most glorious harmonies ever heard. From heart rending pieces like Sailor's Prayer and Auld Lang Syne to dirty ditties like Twiddles and Tanya's own Maiden's Revenge or good old fashioned drinking songs like Johnny Jump Up and All For Me Grog this album has a full range of emotion and sound. These three women have a blend and a sense of "mojo" (as Patricia calls it) that few groups ever achieve.
