This is young Lennard Van Der Last aka Secede's first album for Merck, his only previous release consisting of an emotive remix of Machinedrum for Half the Battle. For this release he has delved into lush ambience intermingling with piano and a variety of 13 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Down Tempo Details: This is young Lennard Van Der Last aka Secede's first album for Merck, his only previous release consisting of an emotive remix of Machinedrum for Half the Battle. For this release he has delved into lush ambience intermingling with piano and a variety of breaks plus peripheral undulating bass. If you have ever wanted to walk through the fog laden 8-bit Nintendo Castlevania maps, duck the occasional bat, slay the bitmapped Dracula with a candy cane, hop into your rad racer and speed off, this release will satisfy. Slow building pads and samples escalate until the CD climaxes in a beaty romp through melodies and nostalgia. Clocking in at 13 tracks and 74 minutes long, another champion sound release from the Merck camp.
