Details: Terri Mason is a sacred music artist and teacher of evolving consciousness. She started singing writing songs in 2006 after spending 72 hours chanting sacred mantras. She wrote her first song, Ancient Mother, Beloved Children, within days of returning. It appears on Om Gaia, her debut album, which she recorded with Grammy nominated producer Paul Avgerinos. Terris voice vibrates the soul of humanity as she channels the essence of Gaia, surrounding the listener with the earth's ancient magical healing energies, easing humanity into the transformational energies of 2012. Paul Avgerinos fans will recognize his acclaimed ambient sounds. The addition of his deep resonant male vocals provide the perfect grounding point for the expansive feminine flow pouring out of this recording. Om Gaia is the yin finding expression and being fully supported by her perfect yang. As Gaia opens to receive the sacred sound of Om, the oneness of being manifests on Earth. The exquisite sacred English vocals ambient sounds supports yoga, bodywork, meditation or just relaxing into the uplifting vibe of hope for the world. Om Gaia is a debut album not to be missed. "Terri's voice is not only etherically beautiful, but grounded in earthly passion as well, a rare expressive blend", is how Sharon Gannon, founder of Jivamukti Yoga in NYC describes Terri's voice. Famed Sacred Music Artist Robert Gass says that "Terri's voice is lovely and the music takes the listener on a mystical journey. It is inspired and creative." A note on the cover art. Visionary, award winning artist Randy Reed created the cover of Om Gaia after repeatedly listening to Eleyakehas Lullaby (#5 on the playlist) throughout the night. He brilliantly portrays Gaia as both an earthly and cosmic being, gathering her sacred feathers and wrapping them with the Om Symbol, denoting the merging of heaven earth. Terris music focuses on Universal principles and she is dedicated to honoring celebrating the sacred feminine. She teaches various workshops including Meditation All Things Cosmic, Discovering Original Intention, Indigo Dance, The Goddess Speaks, and Sacred Mantras,

Sacred Music. Om Gaia is her first cd. It is dedicated to honoring Mother Earth humanitys journey with her and has just been released. A native Texan, Terri now lives in Connecticut with her husband, two children, two cats a dog who do a great job of keeping her grounded present! She can be contacted at Terri@omgaiamusic.com
