Heavy Metal Kids Music 9 MP3 Songs KIDS/FAMILY: General Children's Music, METAL: Heavy Metal
Details: What would happen if the Wiggles met White Zombie backstage at an Iron Maiden concert and decided to form a band? I'm not really sure, but I'd bet they would sound a lot like The Thunderlords. The Thunderlords play loud heavy music with goofy fun lyrics that everyone can enjoy, except those looking for some peace and quiet. Warning: this is not the album you want to put on at nap time!
