A true artist/songwriter that delivers an indie album that is a must for any Americana music lover. 12 MP3 Songs COUNTRY: Modern Country, ROCK: Americana Details: "Tia McGraff is a fantastic singer with her own vocal personality which reminds me of an early Linda Ronstadt.".....Randy Bachman (BTO and Guess Who) "This is damn good stuff"....Steve Wariner on "Jewel's Caf" "Tia McGraff is real, and is really needed in today's marketplace of music.".....Devon O'Day WSIX Radio, Nashville, TN TIA McGRAFF is proud to introduce to the world "Jewel's Caf." This album is a collection of co-written and self-penned songs that will take the listener on a nostalgic journey through time lost, love found, and mysteries revealed. The album was produced by legendary rocker and writer Gary O', who wrote "One Time For Old Times" and "Back Where You Belong" for .38 Special. Here, Tia and Gary team up for a duet version of "One Time For Old Times" and Tia sings a rockin' version of Gary's, "Ghost of 66". A song he wrote after been inspired during a trip down the legendary Route 66. Tia recently received a wonderful review on the Route 66 website.
