If there were more bands like this, we wouldn't have to remember the 60s. 11 MP3 Songs in this album (31:14) ! Related styles: FOLK: Political Folk, ROCK: British Invasion People who are interested in Bob Dylan Johnny Cash Joan Baez should consider this download. Details: The Last Internationale is an up-and-coming folk duo (Edgey and Delila) from Long Island, New York. Filled with socially conscious songs, their self-titled debut album, released by Manifesta Records, is not only characteristic of 1960s protest music but also remarkably original. Moreover, all eleven tracks on the album are equally powerful and lyrically vivid. Whether you're looking for inspiration to change the world or to simply enjoy a soothing love ballad, this is the group to listen to.
