Do your eyes glaze over when people start tossing around terms like CPA or PPC or ROI? Do you skim over or skip articles because they sound like they were written by an accountant giving a year end report? If youve ever said to yourself, Thats too complex for me. Ill look into it later, then youre making the exact same mistake I made, back when I was first starting out my internet marketing career. How do I know its a mistake for you too? Because you cant decide something wont work for you until you know exactly: What it is How it Works Whether or not it interest you or is something that will bore you to tears
