in Japanese and English - pop/rock/psychedelic in the style of the classical pop bands (Beatles), the artistic bands (Velvet Underground) of the 60's and the psychedelic bands of the 70's (Pink Floyd). But this cd has a quality of its own. 11 MP3 Songs ROCK: Psychedelic, ROCK: Progressive Rock Details: Zettaimu is from Japan, and the translation means something as "absolute nothing". "Zettaimu" are Japans answer to Mercury Rev. Based in Yokohama, Japan. These two highly talented musicians mix together many styles of music, from the psychedelic sounds of the 60's and 70's, to more modern gothic styles of bands like The Cure and TheDamned, while at the same time they still manage to sound unique and true to their Japanese roots. The songs from the album are also written in English and Japanese, and has a very tongue'n'cheek quality. [ZETTAIMU] Hisashi Furue; Guitars/Basses/Vocals/Backing Vocals/Pianos/Keyboards/Percussions/Lyrics/Songs Yoshihiro Orii; Drums ----- Japanese alternative rock band "Zettaimu" that emphasises the more solemn and contemplative aspects of life. - VoxPop Music Ltd (UK distributor)
