Tiffany Christopher's multiple-personality vocals, bouncing guitar, and invisible percussion coming from her hands, feet, and voice will intrance you and throw you onto the dance floor. With vocal influences as varied as Ella to Bono it is no wonder Christopher's fans sport dreads just as often as button downs and ties. Tiffanys stuff is so damn real its hard to take your eyes and ears off of her. Very, very few can express the human condition as Tiffany can, and then leave a crowd feeling better for it. Dont take my word on it, take the word of the folks that matter: the audience. Accolade after accolade at every show come from twenty-something females to fifty-something males. -Harold Wieties, of Georges Majestic Lounge in Fayetteville, Arkansas And it's the audience that Tiffany loves so much. When you finally get her down from bouncing around on stage she'll tell you that. "One of the biggest motivations for me is seeing all types of people digging the music and the message. The whole reason I perform is to bring people together. " She hopes to spread the word about her music across the fifty states and into the world... but its a good bet her fans will beat her to it! "She can pick up a guitar and write a song, then pour it on to a crowd with her trademark energy." -Nathan Matney, 417 Magazine RIUL - recommended if you like Lauren Hill, Coldplay, U2, Ani DiFranco, Ben Harper, Sheryl Crow, Johnny Cash, Ella Fitzgerald, Stevie Wonder, Jeff Buckle
