About Peter Arthur Stories, the film: You know how you can fall in love with a waitress when youre twelve because she serves you the most perfect piece of shoofly pie, then ten years later you buy a pumpkin-orange scooter with a sidecar and go on a quest all over Pennsylvania to find that waitress, only you dont have a picture of her, just a bag of little ceramic heads you made of her head by memory? Well, this is that kind of story. View the film at pastories.com
