Gorillaz does Radiohead in this huge new single from Beastwith2Backs. Big beats, twisted lyrics and an epic climax. Don't miss the music video at YouTube.com. 1 MP3 Songs ELECTRONIC: Pop Crossover, ROCK: Progressive Rock Details: Boston-based Rock/DJ pioneers Beastwith2Backs follow up their critically acclaimed debut album with this monster 3-minute Rock-opera. Composed and recorded during their 2006 tours of China and North America, "Educate Your Body" shows the band at their best, blending Funk, Rock and DJ beat-mashing with a healthy dose of manic sexual energy. Following the completion of the single, the band travelled to Austin, Texas to work with psycho-visionary director Chris Ohlson on the video for Educate Your Body. World Premiere is set for October 1st! Check it out at youtube.com, myspace.com/beastwith2backs, and later at Google video.
