Song writing in it's truest form, Diablo Dimes creates a new brand of pop. His ballads are sweetly nostalgic and his upbeat compositions blend country, jump-blues, and boogie woogie with a punk attitude. 6 MP3 Songs BLUES: Rockin' Blues, COUNTRY: Country Blues Details: Against all odds, Gloria O Muerte was recorded and produced in May 2002, by the newly formed Drunk Monk Records in partnership with the legendary bluesman, Chuck E. Weiss. The songs on Gloria O' Muerte reflect the musical influences and growth that Dimes has been shaped by in his life: Speed Metal, Punk Rock, Delta Blues, Country Western, Cuban Son and on and on. You put all these elements together and you get a new brand of Pop. A truly accessible sound with a lot of balls that is timeless and cannot be pinned down. The ballads are as beautiful and heartfelt as any you will ever hear, and the blues/country compositions hit you like a freight train speeding down the backwoods of Mississippi. Dimes is like fine wine--he keeps getting better with time. So, we suggest that you listen and listen again... In about a weeks time you'll be singing along to the lyrics and saying to yourself, "God Damn- that's a really good CD." ENJOY!
