

Mp3 Decaf - Stuck In The 90's

[DOWNLOAD HERE](#)

Instrumental hip hop. Decaf combines funky and often odd samples on top of relentlessly banging and cracking drum tracks. The title of the project is a reference to an era of Hip-Hop production where sampling classic and obscure records was the standard. 9 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Trip Hop Details: Artist Name: Decaf Location: Vancouver, BC Canada Releases: October 2000 Napalm Strike Breaks (Tabletools Records c/o Tableturns NYC) History: Vancouver based hip-hop DJ that has been performing since 1996. Initial entry into production involved layering sounds on a broken down 4 track tape recorder. Decaf has worked with local turntablists Skatterbrain and Astrix in the form of the group known as Mutant Fish for the past two years. Decaf is also a member of the Muzik Fiendz Crew (With member from Vancouver, LA, NYC and Washington D.C) who have collectively released several popular battle/break records since 1997). Press Coverage: URB Magazine Mix.It Mixtape Review Issue No. 62, volume 8 "DJ's OBI-1, Decaf Stratagy - Cheese, Eggs Welches Grape (Hip-Hop/Vancouver, BC) Along the lines of Kid Koala or the Skratch Piklz, this is a richly textured collage of beats, samples, random sounds and turntable trickery blended together like gumbo, served up hot and bound to get your head nodding...Definitely one of the most creative mixes I've heard this year." HHC-UK Review: Napalm Strike Breaks "...Skratch tool you should actively hunt down and buy doubles of ..." Turntable Lab Online Review: Napalm Strike Breaks "The record as a whole has a crisp clean feeling like stoned Snapples... A solid first offering..."
