Pranic Healing Waves is a new approach in the sound healing modality. It operates on a wide spectrum of physical, emotional and spiritual problems. 14 MP3 Songs NEW AGE: Healing, NEW AGE: Meditation
Details: Sound healing is an ancient healing tradition, which has existed for centuries in different forms and in many cultures. It has only recent been rediscovered with the help of new technology, but many of these techniques are taken from very old tribal healing rituals. Pranic Healing Waves is a new approach in the sound healing modality. It operates on a wide spectrum of physical, emotional and spiritual problems, using state of the art equipment such as digital and analog synthesizers, plug-ins and effects created to help you in the process of reharmonizing your entire Chakral System. It is a tool to channel through the process of cleansing and energizing your charkas with sound frequencies. This CD was created by Felix A. Lopez, a certified Pranic Healer by the Pranic Healing Home in Chennai, India. While traveling to India, Thailand and Nepal he learned several Meditation and Healing techniques. He is also a musician that has created a number of albums in the Ambient Electronic Music genre. With this project he has managed to bring together these two aspects of his life, merging them into a powerful tool that he can now share.
