A Worship experience that ushers you straight into the presence of God. 10 MP3 Songs SPOKEN WORD: With Music, GOSPEL: Traditional Gospel Details: THERE'S A FLOW is a culmination of music and spoken word that evolves into a phenomenal worship encounter. This project was birthed after many years of reluctancy. Being a true worshipper, Bishop Vaughn has taken many men, women, boys and girls into a closer and more intimate relationship with the Lord as she has traveled across the globe preaching, teaching and healing. Truly this recording is one that captivates the very essence of worship and praise with recognition and great reverence to the Holy Spirit. 2 Sisters Publishing, who spearheaded the development of material for this cd project, is a company founded by Bishop Corletta Vaughn and her sister, Minister Ruth Sinclair. Minister Sinclair co-wrote and absolutely slams the lead vocals on 'Consecrate Me' with power and an incredible range. In addition to serving as half of this dynamic publishing duo, Minister Sinclair is the Head Psalmist for the renowned Worship Team "Shachah" at the Holy Spirit Cathedral of Faith in Detroit, Michigan. "Tis So Sweet" is a selection that Bishop Corletta Vaughn revived and skillfully added into this great collection, which provides an opportunity for listeners to embrace a great classic hymn. The title cut, "There's A Flow" is a work of worship that is almost unable to be categorized. It is spoken word and worship combined with music to produce what we can only label as an "EXPERIENCE." It is a song that certainly leads you on a quest for this "Flow" that Bishop Vaughn clearly defines and provides direction for on the cd. "Holy Spirit, Deal With Me" has been the catalyst to provoke submission, repentance and a stream of tears all across the nation. By the time you hear this cut, you will be ready to re-surrender your life! Nationwide, the response has been recurring - upon hearing the cd, listeners are 'arrested' by the power of God. There should be a warning sticker on the cd stating "Caution - do not play this cd while driving!!!" In addition to being a powerful Worshipper, Bishop Corletta J. Vaughn has certainly made a phenomenal impact in the Christian community. While she does not hail as Detroit's only female Bishop, she is truly Detroit's first female consecrated to the Bishopric. Network of businesses, ministries and churches.
