

Mp3 A Borrowed Life - Ep

[DOWNLOAD HERE](#)

New, melodious hardcore Original expectant rock that is best than all the rest. 5 MP3 Songs METAL: Mutually exclusive Metal ROCK: Hard Rock EP Songs Details: A Borrowed Life is a hard rock quintet based in Sacramento, CA. The band captures the energy of punk and metal with a mature style that shows the professional caliber of the group. The group has captured the attention of local radio 98 Rock gaining play with the tracks titled "Last Chance" and "Blind Spot." They currently are building a solid Northern California following, please see the website for show listings. Geoff Eckert is the spectacular left handed drummer. Geoff's style is recognizable as hard hitting, precise, diverse and melodic. Manny Howard is the newly discovered bassist. With a punk background and extensive tour experience, Manny brings a solid, unwavering tone that is the foundation of A Borrowed Life's heaviness. Toby Seeger rocks lead guitar with a style and sound that is unmistakably his. Josh Robinson is the vocalist, at times he is wild and unpredictable, yet he has shown his skills in capturing the emotion and imagination of audiences across the west coast. A Borrowed Life will impress with advanced writing skills that produce an amazing and original sound. Featuring former members of Wurkt, A Borrowed Life is sure to make waves in the music scene in Sacramento, the west coast and the world.
