This Blues Harp legend's latest mixes traditional elements with Austin, Texas twang, and an LA sensibility that makes for a rockin' and thought provoking release. 14 MP3 Songs BLUES: Texas Style, BLUES: Rockin' Blues Details: JOHN "JUKE" LOGAN has, on multiple occasions over the past two decades, been the harmonica-player-of-choice for RY COODER, LOS LOBOS, ETTA JAMES, BO DIDDLEY, JOHN LEE HOOKER, LUCINDA WILLIAMS, DAVE ALVIN, LEON RUSSELL, films such as "CROSSROADS" (the Walter Hill feature about the blues) "MIDNIGHT RUN", TV shows such as "ROSEANNE" "HOME IMPROVEMENT" many others. LOGAN'S original compositions have been covered by many, recorded by the likes of JOHN MAYALL, The PALADINS GARY PRIMICH, used by film TV honored with commentary like: "he's the Willie Dixon of the 90's beyond... just listen to the lyrics" (-"Squirl", KMCQ Oregon). Juke's radio show (with co-host Ellen bloom), The FRIDAY NIGHT BLUES BEVUE, ran for 8 years on KPCC was one of Southern California's most popular public radio roots-music programs. JUKE'S previous two albums, The CHILL (Razor Tie, '92), JUKE RHYTHM (Mocambo, '98) (both released in Europe on Virgin) were called "groove-filled blasts" (-Album Network),and were comprised entirely of his original songs, prompted observations like, "Logan's pushing off in directions where few in blues have gone... makes the term 'multi-cultural', as it applies to blues, seem not only possible, but logical... the right kind of adventure for these dull times." (- BLUES REVUE) About his latest endeavor "THE TRUTH WILL ROCK YOU", JUKE states: "I cut this one in AUSTIN, TEXAS, a musical home-away-from-home, blessed with a cast of some of the monstrous players singers that reside there... each a MUSICAL GIANT. It was a long-time dream-realized to do this. In making this music, they helped me rediscover some roots I hadn't visited in awhile, also push-off into some new places I haven't visited until now. They all climbed into the character of each song BROUGHT IT immensely... I finished it off at my LA-studio-home of Pacifica Studios, with amazing group of my "LEFT-COAST"-based musical partners adding their signature-touches..."
