BLUES: Rockin' Blues, **POP:** Folky Pop

Details: My music is about the way that I embrace life; with spontaneity and emotion; its all about a connection says Ross Bon when describing his musical evolution. With over 100,000 independent albums sold, Bons live performances across the country have earned him and the Mighty Blue Kings rave reviews; creating a celebration of sound, sweat and manic energy; bringing their fans to a point of frenzy, where they cant help but to jump up and join Ross on his live ride. Ross Bon and the Mighty Blue Kings Soul . Sweat . Manic Energy To really describe Ross Bons Mighty Blue Kings music, you have to consider a mix of soul, rock and R&B - a combination he likes to term Indie Soul. Enjoyable sometimes dirty, sometimes martini-smooth, sometimes rural, sometimes cosmopolitan R&B. - Glenn Kenny, New York Daily News

Touring nationally and abroad, Ross Bon has shared billing with renowned artists such as; Ray Charles, B.B. King, Tony Bennett and; performed for President Clinton at the Democratic National Convention, the Republican Senatorial Committee, Oprah Winfrey as well as Microsoft. And adding to his credentials, Bon has also contributed his unique talent and sound to major motion picture soundtracks including, Kissing A Fool (starring David Schwimmer and Jason Leigh) and Three To Tango (starring Neve Campbell and Matthew Perry.)
