Over 50 minutes of intimate instrumental acoustic guitar selections to use in any part of your wedding ceremony: * Elegant, triumphant music for processions and recessions * Exquisite classical selections for your bridal entrance This CD is sure to enhance any wedding ceremony. "I wanted to do something different for my wedding ceremony music", says Lindsay, a bride from North Carolina, "I really love acoustic guitar, so I searched and searched and finally found the Acoustic Wedding CD. It is just perfect. The music is so soothing and beautiful. I highly recommend this album." Elisabeth Daley from Virginia writes, As a professional wedding DJ who is always looking for new recordings, I am very pleased to have come across Acoustic Wedding. The selections are versatile while still including the popular mainstays. The sound quality is extraordinary and the interpretations are emotional without being heavy-handed. I highly recommend Acoustic Wedding to brides and wedding professionals alike who are looking for simple and elegant recorded music to augment the perfect day. Mark's guitar work is inspired by Will Ackerman, John Michael Talbot, Michael Hedges, Phil Keaggy, Billy McLaughlin.
