beautifully interleaved strands of indie-rock and electronica. Melodies that will stick in your head for days. 7 MP3 Songs ELECTRONIC: Experimental, ROCK: Instrumental Rock Details: The Trashcan Electric e.p is the follow up release to the 2003 full length album, A few things to hear before we all blow up. These songs are some of favorite experiments from the last few years and all share a similar feel. Lots of warm and fuzzy electronics blended with delayed guitars and a variety of supporting instruments. Hope you enjoy...
