

Mp3 Peter Jones - Gradual Motion 2

[DOWNLOAD HERE](#)

Simple and beautiful harmonies float over solid percussive grooves. Some pieces are ambient but there is always a driving percussive base. Instruments heard here include kalimbas, synth, accordion, piano, dumbek, traps, and voice. 10 MP3 Songs WORLD: World Fusion, ELECTRONIC: Ambient Details: Gradual Motion 2 is a continuation in a series of recordings designed for use in modern dance. The solid grooves combine with open harmonies to create a wonderful texture that helps motivate people to move. Many people also simply listen to this music.
