"IRISH CELTIC REPUBLICAN REBEL MUSIC" played with power and passion by a "native Irish" band who have a big following in Ireland 19 MP3 Songs FOLK: Political, FOLK: Power-folk Details: Bio: Celtic Warriors Check out the greatest band since the WOLFTONES!! This band has it all ... and more! From ripping jigs reels with spoons, banjos, bodhran and guitar, to vocals and harmonies on the most sensitive of ballads and through to the most hardcore rebel music that anyone has ever heard. All of this live music, performed with only the power and passion that this band can deliver! Celtic Warriors will get you singing and dancing along to all of Ireland's favourite songs and tunes with the occasional world song of freedom. In fact this band is all about freedom and this band's first hand experiences will vouch for that. In a similar way that cruelty and slavery gave birth to the blues, then one can say that the same treatment to the Irish from colonial tyrants gave birth to this music.
