Roots Rock/ Country/ Soul 11 MP3 Songs COUNTRY: Country Rock, BLUES: Rockin' Blues Details: Uncle Lucius is fast becoming one of the most talked about bands in Austin, Texas. The "Live Music Capitol of the World" is abuzz about the four piece roots-rock foursome that is gigging heavily at the top venues in town. They have headlined Antone's, Threadgill's World Headquarters and The Saxon Pub to name a few. Their high energy live shows make even the "stick in the mud" crowd stomp their feet and beg for more. With the release of their debut album, "Something They Ain't", the buzz is going to undoubtedly become a roar. Uncle Lucius blends elements of rock, country, and soul to produce a tangible sound that is gaining them a very diverse following in and around the Central Texas area.
