Imagine Beck singing the hook on a Eminem track. 15 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ELECTRONIC: Pop Crossover Details: Renee Renee is heating up the 06 like a cat in a sunbeam. Her aptly titled debut cd "White Heat" hits the ground running this summer! The un-generic music is a catchy mix of hip hop, pop and rock that is guaranteed to melt panties and jiggle derrieres. Renee's bros showed up in full force to help out on the record. The diverse album features rock-charged guitars from skateboard legend Danny Way on the title track "White Heat". Former Blink 182 frontman and plus44 singer Mark Hoppus lends guitars and vocals to the acousto-electro jam "Paper Doll", and boss-level lyrics flow courtesy of Cash Money Millionaires recording artist Curren\$y on "Got Back" and "Follow Me" both must-listens for all heads. Another notable track is the hit dance single "Sexcapades" which provides plenty of down and dirty ribbed-for-her-pleasure fun. "White Heat" is 15 infectious tracks that perfectly reflect Renee Renee's colorful personality(s). At times witty and raucous, other times chill and thoughtful, the album is sure to surprise and amuse listeners who are looking for something different. One listen and you'll realize why over 50 college radio stations have added Renee Renee to their playlists.
