

Mp3 Stratos - Cybernet Official Roleplaying Soundtrack

[DOWNLOAD HERE](#)

A superb blend of ambience, electronica, techno, and guitar rock. The perfect soundtrack to your cyberpunk / modern / sci-fi futuristic roleplaying game adventure. Heavily inspired by The Matrix movies and comics / cartoons. 24 MP3 Songs ELECTRONIC: Soundscapes, ELECTRONIC: Experimental

Details: From PopCultureFest- March 2005 Stratos, aka Bryan K. Borgman, has been recording electronic music for independent films, television projects, and roleplaying games since 2000 including the CyberNet Official Roleplaying Soundtrack for Mongoose Publishing, Ltd. in 2004. Stratos owns and operates Bailey Records Composition and Sound Design and serves as an independent record producer for various local artists and bands including Jennifer Greenawalt, All Things Considered, and Micah. Some professional projects Stratos has written music for include: The Screen - Original Motion Picture Soundtrack, Deterioration Furthers - Songs From and Inspired by The Charnel Gospel, HIFI/SCIFI2 - The Official Mechabot Soundtrack, and upcoming roleplaying soundtracks for Kiln Publications (2087, CHOMP!), Devil's Workshop, and Mongoose Publishing (Gangs of Mega-City One). In addition to writing and recording music for the gaming industry, Stratos is a freelance roleplaying game developer and playtester for various companies including Ronin Arts, Kiln Publications, and Mongoose Publishing. Stratos' first comic book short story is featured in Johnnie Zombie's Rock N Roll Guantlet #7 distributed by Midgard Comics.
