

Vinyl Noise - Sizzling Nuggets Of Warm Analog Crackles. Wav

[DOWNLOAD HERE](#)

50 AUTHENTIC VINYL CRACKLE SAMPLES to add warmth, depth and texture to your productions. More and more music producers are using subtle textures to add that something special to their tracks- be it warmth, grit, air or DOWNRIGHT DIRT! Vinyl crackle can add a new dimension to any track, bringing a simple hip-hop beat to life, or lending some authenticity to a retro style recording. All bases are covered here from subtle crackles to hissy, noisy gramophone madness. Our samples are ROYALTY FREE, 100 percent original, professionally recorded, widely supported and loop seamlessly. WAV format (16 bit wavs, supported by most popular audio/video software such as Ableton Live, Reason, Cubase, FL Studio, Logic, SONAR, Final Cut, etc) If you enjoy these samples, please keep an eye out for other high quality, affordable products from Sample Stars.
