Hard, melodic rock with a massive, epic post-grunge sound. Driving duel guitars, a pounding rhythm section, and powerful vocals with heartfelt lyrics and soaring melodies. Their energetic live shows are dynamic and animated, bold and powerful. 12 MP3 Songs ROCK: Hard Rock, ROCK: Modern Rock

Details: Since the bands inception in Vancouver two years ago, Art of Dying has quietly become Canadas number one rock band to watch. Their lead single Get Thru This has attracted over 60,000 fans to their MySpace page, has reached the Top 10 Unsigned Bands list on MySpace, and has battled it out in the Top 10 charts on many US radio stations. In addition to being the theme song during the opening credits for the Stunt Dawgs TV show, it is also the theme song for this seasons Global TVs hockey reality show, Making The Cut, and can be heard on ABCs Falcon Beach series. Vancouver's vibrant underground rock scene brought together five talented musicians with the knack for producing hard rocking anthems with undeniably catchy melodies. Jonny Hetherington Vocals Greg Bradley Guitars Chris Witoski Guitars Matt Rhode Bass Flavio Cirillo - Drums Art of Dying's self-titled debut album was released in the UK on Oct. 9th on their own label, Thorny Bleeder Records, via a licensing deal with Revolver/Universal, and is available now at HMV, Virgin, Amazon.com, CD Baby, and iTunes. Art of Dying recently returned to their home in Vancouver, BC following a successful UK tour with hard rock act Seether. Playing to sold-out venues and performing for over six thousand people in only two weeks, Art of Dying has already made quite a splash in the British music scene. Hailed by Kerrang Magazine, as heavy crowd pleasers at the 2006 Download Festival in June, reviews from their recent tour are starting to hit the press. "Art Of Dying is the best independent rock band in Canada." (Todd Hancock, CFOX Vancouver) Art of Dying's sound massive, channeling the spirit of Vedder with raucous screaming thrown in for good measure. (Leeds Music Scene) AOD does everything right to not be lost in the jungle of average music. (Melodic.net) "Epic post-grunge sound" (Classic Rock Magazine, UK)
