

Mp3 Pc Davidoff - Santosh

[DOWNLOAD HERE](#)

Quiet soothing music with eastern overtones for Tai Chi, Yoga, and the healing arts. 2 MP3 Songs NEW AGE: Healing, WORLD: Asian Details: PC Davidoff is considered one of the pioneers in the field of music created specifically for the Healing and Relaxing Arts. Practitioners have been using his recordings to support and enhance their treatments for over twenty years. The instruments, tones, sounds and sonic frequencies he employs have been shown to calm the mind, soothe the body and touch the spirit. Experience your true self when you hear the beauty of Santosh. PC Davidoffs peaceful Santosh is a classic for every practitioners music library. This contemplative CD is created with the Acoustic Harp, Synthesizers and exotic percussion. Truly music for the Healing Arts. This recording is delicately quiet and pure in its essence. It allows one's thoughts to still and focus. Santosh (Contentment) Stir muddy water, and it will stay cloudy. Leave it alone, and it will become clear. Let the stream flow, and it will find its way. Stop chasing contentment, and will come to you. -Tao Te Ching
